Message

I extend my heartfelt greetings to the Rajasthani Kutumb of Victoria (RAJKOV), Australia for organizing the "Deepawali Utsav" on 25th November 2023 in Melbourne to cheer the togetherness of Rajasthani Diaspora in Australia and celebrate the festive season with our Rajasthani brothers and sisters.

I also extend my warm wishes to the President Shri Ravi Sharma ji for taking initiatives and keeping the Rajasthani culture alive on a foreign land through such programmes. Your initiative in forging an MoU with the Rajasthani Association of North America (RANA) is a testament to the strong spirit of international collaboration and unity within our Rajasthani diaspora.

I must mention that RAJKOV has been doing a splendid job to bring all Rajasthani Diaspora in Australia on one platform to keep the bond with their motherland alive as well as to enhance their business and professional interactions.

The objectives of the Rajasthan Foundation and those of RAJKOV complement each other as both the organisations work towards strengthening the bonds between Rajasthani Diaspora and the State of their origin, Rajasthan.

Rajasthan Foundation, hereby, takes this opportunity to compliment RAJKOV for keeping the spirit of "**our Rajasthaniyat**" high and successfully waving the flag of **Rajasthan** in Australia.

I heartily felicitate and congratulate the office bearers and members of RAJKOV for their efforts, and extend my best wishes for the success of the event.
